Jumbo Electronics 'Mega Promotion' is back

Jumbo Electronics has said its bi-annual customer initiative, 'Mega Promotion', has gone off to a "flying start". "Customers shopping at any Jumbo Electronics store can now benefit from "great savings on world-class brands".

In addition to the savings, they also get an assured gift for their purchase," a press statement noted.

The assured gifts include a LG 55" smart TV, a LG SL5Y Sound Bar, a LG FN4 Wireless Stereo Earbuds, an Amazfit Bip S Lite Smartwatch and an Oscar Garment Steamer.

To get the assured free gift, customers have to shop for a minimum of QR1,000 and based on the price bracket their purchase falls within, they will get the designated gift, the statement explains.

Customers can also benefit from special offers and low prices across all product categories. Some of the leading brands that can be purchased from a Jumbo store include LG, JBL, Harman Kardon, Blueair, Brother, Oscar, Indesit, Ariston, Morphy Richards, Awei, Amazfit and Apple, as well as a wide range of accessories.

In addition, customers can also shop using leading bank credit cards at 0% interest and pay over six or 12 months in accordance with the respective bank terms. Customers can also earn and redeem points from four loyalty programmes: Mukafa, Nojoom, Air Miles and Life Rewards. During this period, customers buying extended warranty can get up to 12 months' additional extended warranty-free.

The promotion runs until October 13 across all Jumbo Electronics Stores, LG Brand Shops, and Harman House in City Center and Doha Festival City.
